April, 2017

Greetings Archers!

Hello folks! We are getting a slow start to spring, but it will get here eventually. I hope you all had a good winter and got to shoot your bow some. We will be having an outdoor summer league. Also when it gets warmer we will be working on animals, let me know if you'd like to help. I would like to thank Jerry Carter for stepping up to fill the open board spot! Kirk Hayes from the former Hitaga Archery Club has built a rotating card and spinning Christmas tree for us to use for novelty shoots. Remember to shut off things that you turn on in the kitchen and on the range. There have been a lot of new members join this winter, if you see them out and about welcome them!

Again, it would be great to see more club members out at our shoots. Dan Perra will be setting a time for the summer Bowhunter league meeting; he will send it out soon.

We will be setting animals for the Spring Strut on 12 Apr at 2pm, come out if you can.

If you turn in a receipt to the Treasurer, please note what it was for and your name.

Stay safe and shoot straight! - Rick

Lee Mowadzky passed away recently. He and his family were long time club members, dating back to the 60s. They were very active in the club and were involved in building the club house, shooting platforms, ladies auxiliary, and many other projects. They were an important part of the Waltonian family, without people like Lee and his family our club would not be what it is today.
