

President's Corner

April 2018

Greetings Archers!

If spring ever comes we will start shooting outside!

Remember to be safe on the outdoor ranges. We had quite a few new members join over the winter, so if you see someone walking around looking lost, help them out. Do not walk backwards on the ranges; walk the course in the right order. Also remember there is no shooting on work days.

We had Cedar Rapids Outreach come to the club a few weeks ago and do some shooting. They are handicap adults and had a great time. I would like to thank Vance, Dave, Carl, Cal, Larry, Chuck and Leonard for helping out.

Thanks to Randy Beelner, Dan Perra and Carl Clore for running the winter leagues. The league dinner went well, maybe next year a few more people will attend.

Summer leagues will start on Sunday, June 3rd. See Dan Perra for more information.

We will be having a work day on May 6th starting at 9 am, rain or shine. We will be setting up the targets for the spring shoot on Wednesday, April 11th starting at 1 pm, weather permitting. We will need help so come on after work if you can. We could also use some help tearing down from the 3D shoot.

I am going to start a gravel, like we did a few years ago. The road needs more gravel, so if you would like to help please contact any officer or board member.

Stay safe and shoot straight! - Rick

Please remember after you are done using the clubhouse to make sure the heat is turned down to 55 degrees and all the lights are shut off.
