President's Corner

April 2020

There is not much going on at the club this month.

When things get back into full swing with 3d shoots this year we want to make sure we try to support all Archery Clubs in one shape or form . We are hopeful that we can get a 3D shoot in this year. If we are able to host an event we will be giving some cool door prizes away this year. Make sure to watch our Facebook page , e-mails, and website at Waltonianarchers.net. If you don't already and would like to receive emails about our shoots or get our newsletter please email jeremiahzeien@imonmail.com to be added to our list.

This month marked a historic month in our history. This month marks 85 years of the Waltonian Archers Of Linn County. The Waltonian Archers Of Linn County Is The Oldest Archery Club in Iowa with 86 Acres owed and ran by it's members.

For those that don't know how its was started this a clip form the first recorded history.

Waltonian Archers 1935

The club was formed in April of this year led by Fred Enders. The charter members were Warren Hartman, Fred Enders, John Kohls, and Don Seegers and with the help of the local Isaac Walton league (only the name is retained although there is no connection with them). Some of the other members were W H Linders, Jack Dysart, Russ Graham, Paul Samos, Charles Murray, Miles Fisher, Peck Hogland, Don Meyers, and Mary Newland. There were twenty-three members in the club, seven of which were women. There were no permanent records kept the first few years and the by-laws were lost and were rewritten. The meetings were held twice a month in the member's homes. Club officers were elected in December of this year. There was \$6.31 in the club treasury.

Joke Of The Month

A man and his friend were bowhunting in a stand just off a county road. A massive 10-point walks by and one of the guys gets to full-draw and settles his pin..... Before he could release the arrow, his buddy points to a funeral procession passing on the road near his stand..... The hunter slowly lets-down the arrow, takes off his hat, bows his head and closed his eyes in prayer.....the big buck walks off into the timber... His friend was amazed. "Wow! That was the most thoughtful and touching thing I have ever seen" The bowhunter shrugged his shoulders and said "yeah, well, we were married for 35 years....."
