

President's Corner

December, 2016

Hello fellow Archers,

Well another year is about over, do you feel older yet? I hope those of you who are hunting have had a good season! I would like to thank everyone who has helped with the club this year, we done a lot of things, but we couldn't have done it without everyone's help! We are going to be concentrating on 3-D targets this upcoming year. We'd like to buy some new ones and repair some of the older ones. We also recently bought some new 2-D targets and I have been working on repairing the older ones. If anyone is interested in working on the homemade animals let me know. We will also be repacking the bails on the range this January.

I would like to take this time to thank the officers and board members for their hardwork throughout the year! And thank you to those that picked up the slack from me while I went through my foot surgery and recovery!

Have a MERRY CHRISTMAS and HAPPY NEW YEAR! Stay safe and shoot straight!

- Rick

-- P.S. Remember that the gate lock freezes sometimes, recommend keeping a lighter in your car in case you need to thaw it out. Also, be careful on the snow and ice around the club. If you see slippery areas, throw down some salt so that next guy/gal doesn't slip behind you. Also, we brought up some cardboard from the shed, if you see that the cardboard is getting bad, please take the time to replace it.

- Winter Leagues are coming up; sign-up sheets will be posted in the club house. Cost is \$30: kid members/\$35: kid non-mbrs/\$60: adult mbrs/\$70: adult non-mbrs. Leagues run 11 weeks, 1st week is practice/prep

Traditional: Jan 8 @ 4pm

Bowhunter: Jan 10 @ 7pm

Target: Jan 12 @ 7pm

- We are going to try a new material in our range targets, so we will be changing them out a little at a time. We will start with a test target; let us know how it works!

- Remember that DUES ARE DUE in JANUARY. There will be a new form for all to fill out so we can update club members' info (phone/email/etc); will also issue a new key.

- **Take care when locking the main gate, our lock must go through the VENDOR LOCK so that they have access to the club grounds.**

REQUEST...

If anyone has old blue jean material or cotton clothes that they are tossing out, we could use them for stuffing in the bags that we place behind targets down on the flats.

Also, as a reminder, **please lock the main gate** when you enter and depart the grounds. This will help deter non-members from inadvertently entering our club and **possibly causing damage or attempting to hunt and/or discharge firearms.**
