Indoor 3-D Shoot

February 18th, 2007

Our very first Indoor 3-D Shoot is this Sunday from 7am – 1pm. The shoot will have twelve 3-D targets and you will shoot through twice for a total of twenty four targets. It should be pretty cool seeing the new building with 3-D targets in it for the first time. Breakfast and lunch will be available in Walt's Diner. So bring your appetite!

Note from the President

February, the shortest and coldest month of the year, can't be to short this year with this cold spell we are having. It's almost too cold to go ice fishing. Having said that, we can be thankful for the weather we've had the previous months, we were able to get the building done for the Indoor season. So far we have had great success with our leagues and open shooting, and Walt's Diner has started to become quite popular. Thanks go to Joe, Mark, Diane, Carl, Dave, Chris, Scott, Dave and the many friends and family members who have helped make things run so smooth.

We still have several projects to finish yet inside the building, as the money becomes available. Don't forget the club meeting Wed. Feb. 21st.

Also I still have a couple opening for a ticket for the IBA spring banquet. Call me at 393-2448.

Shoot Straight,
Cal

Building Dedication & Potluck

THIS IS A SECRET. For those of you who haven't heard, we're naming our new indoor building the "Milton and Lanetta Smith Indoor Archery Facility". Milton and Lanetta have been members of the Waltonian Archers since at least 1957. They come to most of the membership meetings still today and I've been told that they put up some of the money to buy the property that is known as Ender's Field that we all enjoy today. Orlan Love, the Gazette writer for the Outdoor Page is planning on attending to write an article. We will also be unveiling the new engraved rock that is placed by the new building. This is going to be a great time! We will be dedicating the new building at 3:00 pm following our 3-D Shoot Sunday February 18th. Please bring a Meat, Vegetable and or desert for the potluck. Place Settings and a couple of beverages will be provided. Let's make a good showing for this. Milt and Lanetta will appreciate it and we should make a good showing for Orlan Love. See you there!

Club Key Change

Locks on the club grounds will be changed February 1st, 2007. Club Treasurer Randy Beelner will be able to give you a new key to the club grounds once your dues for the 2007 year have been paid. Best time to get your new key will be at the February, 2007 club meeting. Please be considerate to everyone at the meeting and talk with Randy before or after the meeting.

Ad Space Sales

We need everyone's help selling our ad space in the new floor of the building. If you want to join our fundraising committee or know of a business owner or your own employer that may want to buy an ad let us know. The ads are \$1500 and will be in the floor for 10 years. To date we have sold ads to Hunter Specialties, Duane Arnold Energy, Delta Targets and Rexco Equipment. If we can get all of our ad space sold we will be in fantastic financial shape. Once we get all of the construction done and the loan paid off, the club will be in great financial shape for years to come which will allow us to extend greater benefits to our club members!
Contact Al Perkins 393-7628 or Cal Struchen 393-2448 for more information.

Kitchen Staffing

If anyone is interested in helping out in the kitchen on league nights, feel free to come out and help. Not a lot of work here. Just selling cookies or candy bars or a pizza or something. Let's hear your ideas
