

President's Corner

February 2019

Hello folks,

I know this has been a busy time and it continues to be. We did not get dates for shoots from the State until late this year and had to find ways to fit them in. We are hopeful that things will calm down soon and have appreciated your understanding. I would like to thank everyone who has helped during this busy time: from helping with the handi-cap folks, fixing range targets, setting up 3-D shoots, working in kitchen, cleaning, setting up the 450 round, doing registration, running lines, tearing shoots down, and everything else that has been involved to keep things running smooth.

We have turned our paper work into the county, pertaining to the new tax restructure. We will let you know how it is going as we hear more. We recently had a furnace quit working but got it repaired. We are still having people shooting on the range and not paying. When you do this you are hurting your own club! Please make sure to pay when you shoot. I thank you for your cooperation on this for the future.

Several of our guys are going on pig and turkey hunts soon. Some of the guys will be in Texas and one in Mexico and Nebraska .

At our next meeting we will be voting on ways and means. Please make sure to attend. We will also be having a float in this years St. Patrick's Day parade to promote our club. Jeremiah will have more information at our member meeting. The state 450 round went well.

Shoot straight and be safe!

Rick

The war has ended for another Vi-etnam veteran. We lost one of our own, Terry Edler, this past January. Rest in peace brother.

Marv Fndley had heart surgery, he is doing so-so. but was able to make it out to work the kitchen at the 450, thanks Marv!

History Corner

The club was formed in April of 1935. Led by Fred Enders. The charter members were Warren Hartman, Fred Enders, John Kohls, and Don Seegers and with the help of the local Isaac Walton league (only the name is retained although there is no connection with them). Some of the other members were W H Linders, Jack Dysart, Russ Graham, Paul Samos, Charles Murray, Miles Fisher, Peck Hogland, Don Meyers, and Mary Newland.

There were twenty-three members in the club, seven of which were women. There were no permanent records kept the first few years and the by-laws were lost and were rewritten. The meetings were held twice a month in the member's homes. Club officers were elected in December of this year. There was \$6.31 in the club treasury .
