Spring is slowly creeping in, and so is the new Outdoor 3D season. We are starting to see new members join our club, so when you see them be sure to welcome them. I would like to thank new volunteers Doug Jerguns for helping in the kitchen during the Vegas 450, Austin Mahan for helping tear down the indoor 3Ds, and Laurie Zvacek for helping with the kitchen during the Vegas 450 and on the clock for the 300 Round. Thank you to all the volunteers who make our shoots run smoothly. Remember, if you volunteer 25 hrs of your time with WALC, [\\$25](#) dollars will be reduced from your membership fee. That means [\\$75](#) for a year instead of [\\$100](#)!

We will be repairing bales soon and will need volunteers to help stuff them. Membership dues need renewed this month, and also this year's keys will be handed out after the meeting on 02/19/2020.

HISTORY CORNER

1963 This year the club submitted a bid to host the Midwest Sub sectional Howard Madison was president. 1964 For the club first Midwestern subsectional Al Nelson's bus and station wagon were used for the safekeeping of the target and other items. Publicity ads were placed in various locations and Vern's service station in Hiawiatha was to act as an information center. This shoot was a complete success. The building committee made plans to build a pavilion. People in the club were allowed the use of the kitchen if they clean up afterwards. Al Nelson was president efforts were not in vein.
