

## President's Corner

July 2019

We are heading into summer finally. There has been some doors being left unlocked lately, "why?" The parades in Fairfax and Cedar Rapids went really well. Thanks to all who worked on the floats, etc! Jeremiah and his team did a good job as always. The by-law issue was brought forward at the club meeting. We will start voting on it at the July club meeting. If anyone is interested in being an officer or board member, be thinking about putting your hat in the ring. I called the club a week or so ago and I heard something on the phone that made my day. I heard young people in the background laughing and having fun while getting ready for the parade. Sometimes I forget what it is all about. The Rendezvous is coming and Jeremiah is running it, it's his first lets give him all the help we can. We as club members need to shoot the shoot as well.

Be safe and shoot straight!

Rick

## Why Are You A Waltonian Archer Of Linn County

When I was a child, some of the best times were during deer season when my dad's hunting buddy, Gale, would come and stay. The food was delicious, the stories were better, and I'd fall asleep upstairs listening to everyone laughing late into the night in the kitchen. Dad and Gale would get up early to hunt, and come back at night smelling of fresh air and woods. "Don't touch the bows!" was the main mantra, but one day they let me try pulling one. Comical, to see a 5 year old trying to pull 45-50 lbs. on a bow as big as she! That was when the bug bit me, though. Soon thereafter I got a kids bow and practiced when my dad did. I joined WALC in 2016, not long after finding out the group existed. I'm sure glad to be back shooting and in this club with great people. Thanks for the fun!

Jen Rupp
