

Presidents Corner Jul 2022

Hi All

Well, July is here and the heat has become the thought of the day. At least we are getting a little rain between the super hot days. So, what better time to hone your skills in shooting outdoors than July and August! Check out one of our upcoming shoots below and in the calendar attached. The trails have been steadily improving over the last couple months so come enjoy some quiet competition. 😊

The 900 round in June was great. We had 13 of us sign up to shoot and really had fun getting to be on the field again. I unfortunately did not have enough poundage to be able to aim on the target at 60 yards, so I lost all my arrows the first end for score and had to resort to running the line. I guess I was not meant to shoot 60 yards this year.

The next shoot will be another 900 Outdoor Target round on July 10th. We will start at 9AM with registration opening at 8 and closing at 8:45. This will be a good shoot to practice for the State Outdoor Target in August. We will be setting up the field on Saturday July 9th starting about 9AM. Come on out and give us a hand if you have time. We have also designated that day as a workday for continuing to clean up the ranges and have a list of things that need to be done. We could use your help on that as well if you could find the time.

July 16 and 17 are the Rendezvous 3D shoot. We would love to have you come out if you are available.

August 6 and 7 is the Art Foster Traditional 3D shoot for anyone that shoots a stick bow.

August 20 is the JOAD State Outdoor Target which can be registered for through USA Archery.

August 21 will be the ISAA State Outdoor Target shoot. This is always a fun shoot, and we hope to have a good turnout. Come shoot it with us.

Well, that about does it for me. Keep shooting and stay safe.

Outdoor 900 Target Round June 17th

If you've never shoot a 900 target round you're missing a great experience. Targets are set at 40, 50 and 60 yards, 30 arrows at each distance. I always thought of this as an 'Olympic' style shooting event, but its open to all classes —traditional, bowhunter, freesyle..... With the ranges and numbers of arrows it's a test of form and endurance. And the flats at The Waltonians is a great place to hang out! BTW High score for the day went to Hunter Telleen, (Youth Freestyle) with 860. That's Great Shooting!

Around the Range

We had a workday June 18th— Thanks to those that came out to help!

Little excitement during Summer League—Rick Rogers nocked another Robin Hood! (Bit hard to see—look for the white direction arrow)
