

President's Corner

March 20, 2015

Hi Folks

February went well. We had better turnout for the state and NFAA Sectional than expected. The sectional was about double last year's turnout. The ISAA State shoot was very near our highest shooter count. Thank you to everyone that helped with preparation and bale rebuilding for this. And a big thanks to Don Parker who ran both shoots and put in a lot of hours for both of them.

Joe Sherbon is working on the Ford tractor right now replacing the clutch and fixing the flywheel. Thanks to Joe for this help.

We will be having our first outdoor shoot the weekend of March 21 and 22. It will be a 14 target 3D. We will setup either Wednesday or Thursday before around 5 or 6 PM. Hopefully our spring weather will hold for that weekend and have a good time.

There has been enough interest in an adult coaching session to have it. We are trying to establish a date. It will probably be in April and Vance Patrilla will be leading it. It will either be on a Friday evening or Saturday. If you are interested please contact me and let me know if you have not already.

Open House is April 11 from 1 to 5 PM. If you have friends or acquaintances who want to see what the club is about invite them and spread the word.

Locks have been changed. Dues can be paid at a meeting or a shoot. If you cannot make a meeting you will need to arrange to come get keys from Don Parker when they are available.

There will be a church youth group using the range the evening of Friday March 27.

If anyone knows a source of free or cheap fill dirt please let me know. We will try to repair the road up the hill in the Pines this spring and summer.

So anyway, good shooting and I hope to see you out there.

Carl Mally

May 20th 7pm WALC Membership Meeting

Joke of the Month

A little boy comes down to breakfast. Since they live on a farm, his mother asks if he had done his chores. "Not yet," said the little boy. His mother tells him no breakfast until he does his chores. Well, he's a little teed off, so he goes to feed the chickens, and he kicks a chicken. He goes to feed the cows, and he kicks a cow. He goes to feed the pigs, and he kicks a pig. He goes back in for breakfast and his mother gives him a bowl of dry cereal. "How come I don't get any eggs and bacon? And why don't I have any milk in my cereal?" he asked. "Well," his mother said, "I saw you kick a chicken, so you don't get any eggs for a week. I saw you kick the pig, so you don't get any bacon for a week either. I saw you kick the cow so for a week you aren't getting any milk." Just then, his father comes down for breakfast and kicks the cat halfway across the kitchen. The little boy looks up at his mother with a smile, and says, "You gonna tell him or should I?"
