

President's Corner

May, 2016

Hello fellow Archers,

How is everyone doing? Hopefully everyone is having a great spring and for those that are mushroom hunters, hope you're having good luck! We have the Silver Broadhead Shoot coming up, for those that don't know much about it, it has a 3-D on Sat & Sun, and a Field Round on Sun only.

With summer fast approaching, remember to check for ticks when returning from spending time outdoors.

We will start setting up for the Midwestern (3-D side) on Wednesday 18 May at 4:00pm; this is also meeting night... but we'll try to get as much done that night, the rest we will accomplish the next day, Thursday. If we have enough help, we may even be able to start setting on work weekend.

Work Weened 14 & 15 May, starting at 9:00am both days, the more help we get the quicker it will go!

Requesting help for the State target shoot (outdoors on the flats); assistance needed in the kitchen, registration table and line supervisors.

On 12 May around 9:00am, Don Parker will be sorting animals in the shed to determine what we need to order, if anyone is interested, he would appreciate the help!

I know we're asking a lot from everyone this month, it's that time of the year. What we'd really like to see is more of the younger archers coming out and taking the reins from the older guys/gals. These kind of projects that we all come together for are great opportunities for the newer/younger members to learn about the history of our club, share stories and maybe even learn a few new tricks or prime hunting locations.

Would love to see more people at our shoots! Even if you're still new to archery or the club, no one is going to judge you; we're one big family here, so come out and join in on the fun!

Stay safe and shoot straight!

- Rick

REQUEST...

If anyone has old blue jean material or cotton clothes that they are tossing out, we could use them for stuffing in the bags that we place behind targets down on the flats.

Also, as a reminder, **please lock the main gate** when you enter and depart the grounds. This will help deter non-members from inadvertently entering our club and **possibly causing damage** or **attempting to hunt and/or discharge firearms**.
