

President's Corner

May 2018

Hello folks!

Well summer is here, watch out for ticks.

Thanks to all the people that turned up for the workday on May 5th and on Sunday, May 6th. We had some new members come out. We did general clean up and repair, cut limbs back on the courses, washed windows, cut and trimmed the grass, worked the 3D targets, cleaned the club house and put up new cardboard on the range. Don and Carl are going to put up a new flag pole. If interested, get with Craig Waite to see if he needs any help on the orange range.

The target bales have been set up on the flats.

The 3D animals for the Silver Broadhead will be set out on Wednesday, May 16th starting at 1 pm.

I know my notes this month are all related to work but with the late spring we are a little behind.

If any of you want to try field shooting, the field shoot starts at 9 am on Saturday and Sunday of the Silver Broadhead.

On a safety note...while mushroom hunting remember that you are on an active archery range. I only want adults to move the targets on the range and if you shoot up the cardboard, please change it.

Summer leagues will start on Sunday, June 3rd. See Dan Perra for more information. There will be a summer league meeting on Saturday, May 19th at 12:00pm.

I am going to start a gravel road fund, like we did a few years ago. The road needs more gravel, so if you would like to help please contact any officer or board member.

We will be hosting the ISAA State Outdoor Target shoot next month. Please think about helping out.

Stay safe and shoot straight! - Rick
