

**A Family Tradition Since 1935**

**November 2010**

## Presidents Note

Dear Waltonians,

It's that time of year. Deer season! It feels great to get in a tree stand again!

The results are in for the Board of Directors for 2011. I'll have them posted on the next page in this issue.

If you haven't heard, we have put the membership into teams by the ranges we have. The thought is to get everyone working together to attack the outdoor ranges now that the indoor facility is 99% done. We have the best indoor facilities around and now it's time to make the outdoor ranges the best in the area! Look for more details in this issue.

We have an Indoor 3D shoot scheduled for December 11<sup>th</sup>. We also have our Famous Chili Cook Off / Holiday Party that evening. That's always a great time! We will be giving away club awards that night as well. This is the event to attend this year! Dave Hagerman is heading up this year's Chili Cook Off / Holiday Party. Its gonna be a good one!

As I said earlier, it's been an amazing year. We got the addition completed as well as many other accomplishments. However that has put us in a really tight financial situation for the end of the year. We'll be ok, it's tight, but we need everyone to help out by attending our last shoot, paying for indoor shooting, making sure the lights and fans are off when done, paying membership dues at the Chili Cook Off and paying for the Winter Indoor Leagues if you can. Finally, I love this last one. Member Barb Snobl walked up to me and donated \$325 towards our next loan payment for the building and is challenging other members to do the same. A match would be awesome! But any amount that a member can afford is just as awesome! It's our members that make this all worthwhile!! We have the best members I've ever been associated with! I applaud you all!!!

Have Fun,  
AI

## Waltonian Archers Range Teams

We've put everyone on a team by ranges. Now don't worry, we haven't given you a second job. HA ha. We know everyone has varying degrees of free time. We just ask that you do your best to help out how you can. Everyone has different skills, knowledge, time etc. Help out anyway you can.

Each range has a Range Captain. Here's the plan. The Teams tour their range and note any immediate work that needs to be done. Examples would be a tree down across a lane, a bridge that needs to be repaired, bow hangers and steps that need fixin', mowing etc. Next put a plan in place to get those items fixed. Then make a list of what enhancements are needed or that would be a nice addition to the range. Examples would be new target butts, a tree stand, benches, steps or stairs, a better bridge, a new shooting lane, etc. We'd like everyone to help out a bit if possible. It helps you to get to know the other members in the club, it greatly helps out the club, and we can get a lot of work done quickly. Plus it's very gratifying to look at the work you've done to help make the Waltonian Archers Ranges the best around. I'm even thinking that a plaque with the range member's names on them at the beginning of each range would be nice! Range Captains are also encouraged to ask for help from other Range Teams for help with bigger projects. If this goes well, we can get all of our ranges in top shape as well as the best ranges around, fast! I'm really pumped for this to get going! We can really make some fast progress before the outdoor shoots resume next year! The Goal, make the Waltonian Archers the archery club everyone wants to belong to or shoot at. I'll post the teams on another page. If you're not on a team or would like to be on a different team, let me know ASAP. Let's Have Some Fun Waltonians!

## Gravel Parking Lot

We have a good deal extended to us. Meine Septic, who does our snow plowing has offered to gravel our parking lot before winter hits for \$400-\$500. That's a great deal. In the past it has cost us that just for the rock alone. He's going to spread it and deliver it. Again, money is a bit tight until the membership dues and league money starts rolling in, so it was suggested at the membership meeting to ask the members for a donation to get the work done. If everyone donated \$5 that would cover it. So far our members are coming through, the donations have been great! Just drop it in the Indoor Range Drop Box, mail it or drop it off at a membership meeting. THANKS ALL!!!!

## Bow Ties

It's very uncommon for two archers to have the same score. Everyone knows that bow ties went out of style years ago.

## 2011 Board of Directors

The election results are in, you new Board of Directors for 2011...

President	–	Al Perkins
Vice President	–	Al Fuller
Treasurer	–	Don Parker
Secretary	–	Don Kaplan
Board	–	Joe Schumacher
Board	–	Carl Mally
Board	–	Lynn Carter

I really want to thank our outgoing board members for all they have done these past years.

Scott Mason has been a member all his life and has devoted a lot of time and energy into the club. Scott has done a lot of work with helping set up 3D shoots, building the new playground equipment, setting up the kitchen and helping run it, and running the Traditional Indoor Leagues and the Art Foster Traditional Shoot. This is just a sampling of the projects Scott has been involved in, there are many more. But don't worry, Scott's not going away. He'll still be helping out when he's not busy raising those 2 future Waltonian Archers! Thanks Scott! Mike Cooper is a relatively new member that has gotten really involved in the club. Mike stepped up when we needed a secretary and has done a great job the last 2 years. Mike has done a lot as well for the club, From running Indoor Leagues, to organizing the bulletin boards, coming up with the new member orientation pamphlets as well as setting up 3D shoots and working all over the club just to name a few. Like Scott, you'll see Mike around the club helping out! Thanks Mike!

## Taxidermy Deal

Here's a good deal. Member Al Fuller has gotten into the taxidermy business. Al told me to pass on to you all that he has dropped his price from \$450 to \$400 for deer mounts. I've seen some of his work so far and he does a great job! He's already mounted some of our member's bears, deer, and hogs. They look great! You can reach Al's Taxidermy at 360-8050.

## Deer Pictures

Deer season. It doesn't get any better than this time of the year! Be sure to get your pics sent to me to put on the website and be sure to put one on the bulletin board in the Indoor Range! Does, Bucks, Turkeys, Rabbits, squirrels, it doesn't matter what it is as long as it was taken with a bow! So far, Joe Schumacher, Karen Schumacher, Al Fuller, Larry Isaacs, and Dave Crumley have put venison in the freezer! Nice!

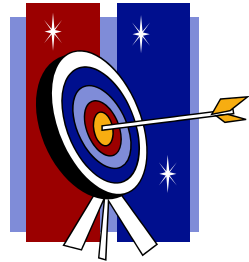

## Membership Meeting

The November membership meeting is the 17<sup>th</sup> at 7 pm. Agenda, Shoot Schedule, Shoot Pricing and the budget for 2011. You can also pay your dues at this meeting if you'd like to.

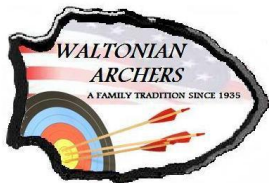

# Waltonian Archers Indoor Winter Leagues Begins the week of January 2nd.
