

## President's Corner

November 2018

Hello folks,

Indoor season is upon us. Remember to use course rules; everyone shoots from the same line, don't go down range with others shooting, try not to shoot the ceiling and watch behind you when pulling arrows.

Please don't let little kids move the target butts around.

The combination has been changed on the pantry. The people who need it will have the combination. The pines gate is locked. Officers and the people who need a key will have them. There is a new tool cabinet in the furnace room. The gate key fits the lock.

Chuck Zvacek is our newest lifetime member. Chuck has been a long time, very active member. He has earned it with his deeds, along with our respect.

We are looking for someone to take Brad Marcus' place as our information person. His job is taking more of his time. I would like to thank Brad for his fine work for the club.

Keep in mind we have an open house on December 8<sup>th</sup> along with a 2D/3D shoot off and a chili cook off.

We will be setting the 2019 schedule this week. The kids will be starting their winter season this week. Please also sign up for a winter league if interested.

The new club dues will be \$100 for the year. If you work 25 documented hours they will be \$75.

We are going to try something new...we are hosting a veteran's shoot. More on it later.

Please be respectful of the club; do not drive or park on the flats, watch your speed on the club grounds, do not tear around the parking lot.

If you are shooting in the indoor range, please remember to turn down the thermostat to 55 degrees and turn off all the lights when you leave. Please also pick up items on the range floor. We had an older member slip on a target pin.

One last reminder...the lock on the gate freezes up from time to time. It is a good idea to carry a lighter with you to heat up your key!

Stay safe and good hunting! - Rick
