

## President's Corner November 2021

Hi All

Wow! I am not sure where October went. It seems like I just wrote the October letter for the Shavings and it's already time for the November one. Holidays are coming our way, too fast if you ask me. Hopefully everyone is getting prepared.

We had a great turn out for our Vegas 450 round last weekend (11/06/21). I didn't really improve my score but with all the people there it was fun to shoot again.

Next up we will have a 2D – 3D shoot on Saturday December 4<sup>th</sup> from 7 AM to 1 PM which will be followed by an Open house from 1 PM to 4 PM and then our Annual Chili Cookoff at about 6 PM. We would love to see everyone at some or all these events. The prize for best chili is having your name on the gold helmet in the trophy case and bragging rights for a year. How's your chili game??

Winter Leagues will start the first full week of January with the Traditional starting Sunday January 2<sup>nd</sup>, the Bowhunter starting Tuesday January 4<sup>th</sup> and the Target starting Thursday January 6<sup>th</sup>. The first week will be used to set up teams and get organized before the real fun begins the next week. These all run 10 weeks and are a lot of fun. It's a great way to have a set time to shoot and you can get help from people that have been shooting forever and know what they are talking about.

The loggers have not had a chance to get started yet but we are hoping they will soon. The roofers will be starting the repairs of the various roofs later this month.

Hope everyone has a great Thanksgiving! We will see you all in December.

On November 9th Carl Mally, Bob Schell and Dennis Ringgenberg split a piece of hickory to make bow staves. This was from a Derecho downed tree on the white range, too bent and broken for the loggers to use, that had been cut to open up a shooting spot. The log was a little over six feet long and about 14 inches in diameter. It split nicely into eight pieces for self bow staves using a maul and wedges. The ends were sealed and the staves put in the rafters of the machine shed to dry for two years. At that time they can then be carved into long bows.

## JOAD Junior Olympic Archery Development

On Oct. 21st, Wapsie Warriors held their first pin shoot in over a year, due to Covid-19 regulations. Many JOAD members received pins from WALC state outdoor a couple months prior. We had a full range of participants, including half of Coe College's varsity team, making it a fun environment for friendly competition. Many new JOAD members have never shot a pin shoot, so it was exciting to hand out so many lanyards and pins for the first time and give the kids goals to practice for to achieve their next pin. Wapsie Warrior members and coaches are excited to hold more pin shoots again in the future and to regain some of our old normalcy within JOAD.

## Waltonian Archers Event Calendar

### November

Saturday 6th	7 PM	Indoor Vegas 450
--------------	------	------------------

### December

Saturday 4th	7AM—1 PM	Indoor 2D/3D

## No Hunting on Club Grounds

There will be no hunting on club grounds this hunting season due to logging being done on the property as part of our derecho clean up. Please make sure all tree stands are down. We will not be responsible for damage or loss of tree stands if they are still up when the property is logged.
