Treasurer:	Randy Beelner	395-7492			

Note from the President

March is upon us and the warm weather is refreshing. The winter leagues are winding down and I hear everyone is enjoying the new Smith Indoor Archery Facility. We are planning a six week indoor league in April for those who are interested and we have scheduled another outdoor 3-D shoot for April right before the turkey season. We have a project weekend scheduled for Saturday March 31st and we have about 6 projects that we need to get done this spring. We could sure use a lot of help. Check out the rest of the Shavings for more information. I'd like to thank everyone who has helped out with the leagues, shoots, in the kitchen and the help around the club. We need everyone to pitch in any way they can to make this club the best it can be. Remember to bring out a friend or two to check out the club and see if they'd like to join. If anyone ever has an idea or an issue that concerns them, feel free to call a board member. Our numbers are listed above.

Shoot Straight,
Cal

Milton & Lanetta Smith Building Dedication

After our first Indoor 3-D shoot Feb. 18th 2007, we dedicated our new indoor range to Milt and Lanetta. The indoor range will forever be known as the

“Milton and Lanetta Smith Indoor Archery Facility”.

Milt and Lanetta joined the club in 1950. In the early years the club used to shoot at Beaver and Ellis Parks. In 1957 Milt and Lanetta sold a 1 acre orchard lot that provided the cash for the loan to purchase what we know and enjoy today as Ender's Field. Its people like Milt and Lanetta and the many others who unselfishly did their part back then that gave all of us today this beautiful property to use and enjoy.

**Thank You Milt and Lanetta for
your dedication and support to the Waltonian Archers.**

Cabin Fever 3-D

Sunday March 18th was our first outdoor 3-D shoot of the year. The Cabin Fever 3-D went pretty well, with 100 shooters and the weather was great. The change from a January to March shoot seems to have been a good one. Thanks to Dave Mason, Scott Mason, Cal Struchen and Al Perkins for setting up the course. Joe Sherbon, Scott Mason and Dave & Charlotte Mason and all the others did a great job in the kitchen. Thanks to Cal Struchen, Al Fuller and Scott Mason for taking down the course and finally thanks to Cal Struchen, Al Fuller and Mike Cooper for their help with registration. Thanks to Doug Berry for the great pictures he took at the Cabin Fever Shoot!!!!!! Be sure to check out the website at www.waltonianarchers.net for shoot results.

April 3-D Shoot Added!!!

Saturday and Sunday, April 14th and 15th we will be hosting a 28 target 3-D shoot. All the proceeds will go to our 3-D fund to purchase new vitals for existing 3-D's and new 3-D's. Anyone interested in learning how to run registration or help with set-up for the shoot, please contact Al Perkins at 393-7628. Also, we need a cool name for this shoot. If you have any ideas call Al.

Project Day

We have a project day coming up this Saturday, March 31st. We have projects identified that we need to work on. We generally start about 8 am and work as long as a person wishes. Lunch is provided. Any amount of time that you can help would be appreciated. The projects that we need to work on are cleaning up the ranges of branches, fallen trees or other issues on the range. Another project is cleaning out the creek bed on the white range. We also have a lot of Maple saplings that have been cut to keep the oaks healthy. We need to either pile these up in brush piles or pull them out of the range. If anyone has a chainsaw there are more maple saplings that need to be cleared out. Any saplings 6 inches diameter and under need to be cut. The white range is the range on your right as you drive into the club. We also need to build some steps on the Orange range. There is a steep hill on this range. We'll probably use railroad ties. Need a little muscle here. We have a few log bridges that need to be repaired and finally we need to get that Garlic Mustard sprayed with Roundup. So come on out Saturday and let's see how far along we can get. We won't get everything done in one day, but we can put a huge dent in it. Heck, with enough people we may get it all done!

April Indoor League

We will be starting another indoor league the week of April 16th. The league will run for 6 weeks and cost will be \$36 for Adults and \$18 for youth. The night hasn't been decided yet. If you have a preference contact Al Perkins at 393-7628 or send me an e-mail at waltonianarcher@msn.com.

Open Shooting

Cost is \$6 for Adults & \$3 for Youth
Saturday's 12:00 – 4:00 pm
Sunday's 12:00 – 4:00 pm

Club Dues

Club dues of \$50.00 for the 2007 year need to be paid to Club Treasurer Randy Beelner (395-7492)

Club Key Change

Locks on the club grounds will be changed February 1st, 2007. Club Treasurer Randy Beelner will be able to give you a new key to the club grounds once your dues for the 2007 year have been paid. Best time to get your new key will be at the February, 2007 club meeting. Please be considerate to everyone at the meeting and talk with Randy before or after the meeting.

Ad Space Sales

We need everyone's help selling our ad space in the new floor of the building. If you want to join our fundraising committee or know of a business owner or your own employer that may want to buy an ad let us know. The ads are \$1500 and will be in the floor for 10 years. To date we have sold ads to Hunter Specialties, Duane Arnold Energy, Delta Targets, Rexco Equipment and Denny's Muffler. If we can get all of our ad space sold we will be in fantastic financial shape. Once we get all of the construction done and the loan paid off, the club will be in great financial shape for years to come which will allow us to extend greater benefits to our club members! Contact a board member if you have an idea of business contact or for more information.
