

## President's Corner August 2021

Hi All

It is amazing how fast summer is whizzing by. Seems like just yesterday we were complaining about the snow and now we have an abundance of heat. Summer is a great time to get out and be in the outdoors for a while. What better way than by attending a Waltonians shoot. We have had several shoots in the past couple months that have had several people trying out our outdoor ranges for the first time and commenting that they had a great time. I call that a success.

The JOAD Red Team Camp was cancelled due to lack of registrations. Hopefully we can have them back next year.

Next up are the JOAD State Outdoor Championship on August 28<sup>th</sup> and the ISAA State Outdoor Target Championship on August 29<sup>th</sup>. I am hoping for sunshine but maybe a little cooler. Even if it rains or is really hot it should be a good time. Please be sure to come out for these shoots.

We will have a workday August 21<sup>st</sup> to make sure the outdoor target bales are ready for these shoots. We will also try to do more cleaning around the sheds so the roofers can get in to fix the roofs.

Then in September we get to have the Deer Slayer, the weekend of the 18<sup>th</sup> and 19<sup>th</sup>. This is the weekend that the club puts on the 3D shoot, a Club "Old Timer" Game Feed, a Club Candlelight Shoot, and a Club Clout Shoot. I have not tried the Clout or candlelight shoot before and am looking forward to it. It should be lots of fun!

Also in September we will be asking anyone interested in being an officer or board member to please let us know so we can start to get our ballots together for this years elections. The best way to have an impact on a club like this is to volunteer and get involved. As Mahatma Gandhi said "Be the change you wish to see in the World".

Enjoy the warm weather! See you at the next shoot!

Mary Bisinger

## JOAD - Junior Olympic Archery Development

### Youth Archers

Mary Bisinger

As summer progresses the Wapsi Warriors continue to work towards various goals. Some are working towards winning National tournaments while others come out each Thursday night just to have fun. I have noticed that occasionally our competitive archers will stop and watch the younger archers as they shoot. I wondered what they were thinking, and it occurred to me maybe they were simply enjoying the excitement of a kid that just hit the yellow three times in a row or one that put his arrow right in the nose of the paper deer. Sometimes you just need to stop stressing so much and just see the sport through the eyes of a new archer to appreciate how much archery has done for you. My family started the Wapsi Warriors after my kids started shooting NASP and wanted to shoot year-round and be more competitive. They wanted to go to the big National tournaments, and we travelled a lot in those days. I wouldn't trade it for the world but sometimes reflection is a good thing. What would have happened if Alburnett had not offered Archery in the schools and had not taken a team of four little boys to the first State tournament? We would not be a part of the archery family. It boggles the mind. Any how our JOAD club has produced some of the best archers in the country including some that are currently at the Olympic training center. But we also have introduced archery to so many young archers that we can't even count. The joy of archery is a great thing to pass on to the next generation. (OK I'll come down off my soap box now and say, I will try to get some kids points of view for next month).

2021 Deer Seasons	Deer Season Dates	License On-Sale Dates
Youth Season	Sept 18 - Oct 3	Aug 15 - End of Season
Disabled Hunter Season (Requires permit, <a href="#">Regulations, p. 41</a> )	Sept 18 - Oct 3	Aug 15 - End of Season
