

### Presidents Corner August 2022

Hi All

Wow, I don't know where the summer has gone but it is August all of a sudden. Seems like June and July just flew by. The 900 round in July 10<sup>th</sup> had a good turn out and fun was had by all. We had 15 archers shoot and some good scores were posted. I still did not have new arrows, so I was not one of the shooters that day. 60 yards is still my nemesis for the summer shooting.

July 16 and 17 was the Rendezvous 3D and 14 people showed up to shoot the course. Everyone I talked to said they enjoyed it.

August 6 and 7 was the Art Foster Traditional 3D. 16 archers turned in scores for this shoot. With 40 targets and the heat and humidity most came back dragging. I have not shot the Art Foster (as I shoot a compound now) but it looked like a lot of work. Thanks to the set up team for giving the shooters a challenging course.

Also, I'd like to thank the folks that come out for the shoots and run the Kitchen. Chuck and Laurie Zvacek, Diane Mally and Marv Findley are at almost every shoot in the kitchen, cooking for us all. Thanks all, I hope you know how much we appreciate you!

We will be having a workday this Saturday August 13 starting at 9 AM. We need to clean out the machine shed and re-core some round targets in preparation for the outdoor target shoots at the end of August. We will undoubtedly have other projects as well so if you have some time please consider coming out.

The next shoot will be August 20 starting at 10 AM is the JOAD State Outdoor Target which can be registered for through USA Archery. Registrations open 13th July, 2022 12:00 PM (MDT) and close 18th August, 2022 11:59 PM (MDT). Please get signed up early.

August 21 will be the ISAA State Outdoor Target shoot. Registration is open on the Website. Registration opens at 7:00 am and closes at 8:30 am. Come early. Competition starts at 9:00 am. 900 Target Round - 6 Arrows per end - Break for lunch halfway through. This is always a fun shoot, and we hope to have a good turnout. Come shoot it with us.

And last but not least, we have the Deer Slayer September 17 and 18. More details will be out soon.

Well, that about does it for me. Keep shooting and stay safe.

Mary Bisinger

### Rendezvous July 16/17

Mary reported 14 shooters for this year's shoot in The Presidents Corner. Not so many years ago numbers were 10 times that and more. The Waltonians started the Rendezvous in 1984. The Club History doesn't say much about the early Rendezvous, but some of the older Club Members recall it as a heck of a good time with archers from all over with campers and vendors packing the flats. Best I could tell, The Rendezvous continued through 1990, then stopped. The Rendezvous' was brought back in 1998 and has remained on our calendar since.

## Art Foster Traditional Bow Shoot Aug 6/7

The 1st Annual Art Foster Traditional Bow Shoot was held the first weekend of Aug 2007.

From the July 2007 Newsletter "The 1st Annual Art Foster Traditional will be having a BBQ chicken Dinner Saturday August 4th starting at 5:30 pm. Of course there will be BBQ chicken, but there will be sweet corn, beans and Dutch Oven Dessert!!!!!! You don't want to miss this one. You don't have a stick bow? So you won't be shooting the Foster shoot? Don't matter. You can still come out and eat. We may even talk you into trying our bow out to see if you like it. Call Dave Mason 435- 2612 or Joe Sherbon 448-4430 to RSVP. MMMMmmmm, nothing like a good barbeque!!!"

Some History - The Waltonians held the first Iowa Traditional Bowhunters Society Rendezvous in 1994. The next year the ITBS moved that shoot to Webster City and we held our own Traditional Rendezvous. It was renamed in 2007 after Art Foster when he died in September 2006. Art Foster was Club President in 1989/1990. Maybe some older members could share a note or remembrance about Art.
