ACTUAL NEWS: COUNCIL BLUFFS LOOKS AT ALLOWING BOW HUNTING WITHIN THE CITY LIMITS

HISTORY CORNER

1961 The Silver Broad Head continues to be the main shoot of this club. Tait Cummins of WMT radio and television did quite a bit to promote this shoot through the media. The club acquired our first fogger machine even though it seemed a little doubtful as this was on loan for 30 days for approval. It was voted not to purchase this but for 30 days had passed it was purchased at the next club meeting. The problem arose with the bringing of guests out to the club it was decided that each person could only come out as a guest only three times in a calendar year. If they were still interested, they would have to join than. There were various locations for the different club events. The Christmas party was held at the Central Park Presbyterian Church and an old Bowling downtown was used for the indoor shooting the meeting were held at City National Bank and tin the summer they were held at Ellis Park with potluck afterwards. Mr. H. E. Harrington gave the club the Leon Morris trophy in Leon's name Phil Rummell was president
