

## President's Corner

February 2018

Greetings Archers!

We are in the throes of winter, but before you know it we will be shooting arrows outside. We had a decent turnout for the Indoor 450 round.

I would like to thank Nick Carter for finishing the trophy case. It looks great. I offered my carpentry skills to him but he said he had it covered. Good thing, it would not have looked as good if I had done it.

We have a 2D/3D shoot this Sunday (February 11) starting at 7 AM until 1 PM. Come on out and shoot!

You newer members remember to check over your equipment periodically and don't be afraid to ask questions.

Be careful when walking around the parking lot at the club. It can get icy.

Stay safe and shoot straight! - Rick

We are hosting the ISAA State Indoor Target shoot March 2<sup>nd</sup>, 3<sup>rd</sup> and 4<sup>th</sup>. We will be needing help on the range and in the kitchen. We want to put our best foot forward. Thanks for considering helping.

Please remember after you are done using the clubhouse to make sure the heat is turned down to 55 degrees and all the lights are shut off.

If you have not been on the website lately, please take a look at it. It is full of good information. The shoot results are also posted there.
