### ***President's Corner - Feb 2024***

Hi All! Happy February! Hope you all are having a great month so far!

January 20th was the first 2D/3D shoot of the year and several people showed up to shoot and lots of fun! I don't have any numbers as I was not able to be there. Sorry. Our next shoot was a 300 round on February 10th which had about 34 attend and everyone enjoyed the evening. For the last few weeks Eric Bisinger has been working with several other guys to scrape up the old shooting lines and various other tape lines and putting down new ones in preparation for the upcoming Midwest Sectional tournament this weekend. Thanks to all that helped! It is not an easy job and one that needed to be done. Well done guys. Along that same line we repacked some of the indoor bales last Saturday and I want to say a big Thank You to all the guys that came out to help with that as well!

Coming up in February and March:

February 21st - Membership meeting - keys will be changed after this meeting! Be sure to get yours so you can get in.

February 23- 25 - Midwest Sectional - registration on the NFAA website only - no walk-ins - Friday evening is practice - archers shoot both Saturday and Sunday (a 300 round each day)

March 8 - 10 - ISAA State Indoor Target - Friday evening at 7PM, Saturday lines are 9 and 12:30 and Sunday lines are 9 and 12:30. This is a standard 300 round.

March 23 - 24 - Cabin Fever - This is a great 3D shoot that could be outdoors if the weather is good.

Well, that's about it for now. Keep shooting straight!

Thanks!

Mary Bisinger  
President
