

President's Corner

July 2018

Hello folks!

We will be having a club target shoot on July 8th. If you have never shot one of these, this is good one to start with. It usually is a small, low key shoot. We will shoot at 40, 50 and 60 yards on the flats.

The Rendezvous is coming up on July 21st and 22nd. It is a 40 target 3D shoot. We will need help setting up the targets. We will start setting up at 10 am the Wednesday before for those that can make it. The kitchen might also need help.

The summer league has been running for about a month. If you are not a member of the league and you shoot the targets please leave \$6.00 in the slot on the range. We can use the money to help keep the targets repaired.

Recently Leonard, Don, Cal, Chuck and I built new bow holders and animal stakes in Cal's shop. I told Leonard to pick a bright color. We placed them on the front bow hunter and the meadow. I wanted people to be able to find them.

If you are shooting indoors, remember only turn on the lights that you need. Thanks to Leonard for fixing the wall and changing the cardboard. Thanks for whoever got the fan for the indoor range.

The poles are getting moved from the gate area. We have a gravel fund set up if you would like to contribute.

Pay attention to the heat, keep hydrated!

Stay safe and shoot straight! - Rick
