

President's Corner

June, 2016

Hello fellow Archers,

Hello folks, the weather keeps getting better, hope everything is having a great summer so far! For those new members that joined this past winter, now is your chance to get out and start exploring the club. Remember, we are partially fenced, so stay out of private lands that border our club. Of course, public hunting lands nearby are open. If you have any questions or concerns about boundary lines, please ask.

I would like to thank the Waltonians, NASP & JOAD personnel for working together as one big team during the recent State Target Shoot. It was a huge success and we had 97 shooters with a large amount of family members in attendance showing support.

Unfortunately we had a low turnout at the Silver Broadhead shoot; please try to make it out to support the sport and our club if able. Big thank you though to all that turned out and pitched in! As always, I think everyone had a great time.

Don Parker has picked up foam for round targets, along with new 3D animals and additional parts.

Reminder, if your contact information has changed, please get with Gayla Lewis, our Club Secretary, so she can ensure you are keep current on upcoming activities.

As most of you know, we lost Lanetta Smith, she is in our thoughts!

- Rick

Extras...

Summer Bowhunter League Starts on 12 July This change was voted on during the last league meeting. Any questions, contact Dan Perra.

We would love to get more help when it comes to clean up events, regular maintenance, target repairs, volunteers in the kitchen or sign up tables at shoots. I would be nice to see more folks out, remember... our club is run entirely by volunteers. Don't just be the one on the sidelines taking advantage of the wonders that our grounds offer and just assume someone else is going to clean up the mess or organize the next shoot. Step up and become an active member in our club and ensure that this, and future generations can enjoy our sport and grounds.

FLOOR ADS

Advertise your business in a long lasting floor ad in our club's indoor shooting range. Thousands of archers will see your ad every year. Each ad sells for \$1,500 and is good for the lifetime of the floor. Contact a board member or club officer today!

REQUEST...

If anyone has old blue jean material or cotton clothes that they are tossing out, we could use them for stuffing in the bags that we place behind targets down on the flats.

Also, as a reminder, **please lock the main gate** when you enter and depart the grounds. This will help deter non-members from inadvertently entering our club and **possibly causing damage** or **attempting to hunt and/or discharge firearms**.
