

President's Corner

June 2018

Hello folks!

Well it is warming up! Drink plenty of fluids while shooting.

Someone has been beating up the locks on the main gate. Please report any suspicious activity to me.

Dave will be starting work on the gate to the pines in a couple of weeks. Don and Carl finished the flag pole and it will be put up during shoots and events. They are moving poles around.

We are thinking building a new tree stand where Carl has been tearing down the old one.

We have an international round coming up on June 24th. Talk to Craig Waite if you have questions on the what the international round is about. Set up will be on June 22nd starting around 5:30pm. We also have a target 900 round on July 8th.

Things went well at the State target round. We could have used more shooters. Summer leagues are just starting. They are set up on the white range. If you have any questions get ahold of Dan Perra.

Jodie Burns changed out the ceiling diffusers in the range and will be adding a few lights to eliminate the dark spots. We are still having troubles with the riding mowers, Joe is swamped. Is there anyone out there who would like to help Joe with this?

It would be nice to see some of the newer members at the shoots...and some of our older members.

A question...what do you think about using range finders during shoots? Let me know.

There will be people at the club with the 4H program starting at 1pm on Sunday June 10th. Weather and bugs will dictate inside or out.

Is there anyone interested in running for club president? I will not be running for the position this coming year.

Stay safe and shoot straight! - Rick
