## President's Corner

March 8, 2012

How are you all doing?

Well we got past the Midwestern shoot, it went well. Joe would like to thank everyone that helped in the kitchen. I would like to thank all the folks who put serious effort and time from reworking the targets, the electronics, and painting to the cleaning and getting card board at the last minute, and running the shoot we made a good showing as Waltonians, also thanks for all the help with the 3D Shoot Rick
