

### President's Corner

March, 2017

Greetings Archers!

Well looks like spring is right around the corner, even though we didn't have much of a winter. With warmer temperatures comes more people using the courses in the woods, please remember to shoot from within the cone of target, not across targets. Also, police yourself when out and about don't leave trash on the courses.

I would like to thank all of the people that helped with the Midwestern, things went really well! State indoor is next... let's have a good showing of both, participants and support! We will be cleaning out the machine shed in the near future, if you would like to help out get ahold of me. I really like the way the indoor range is looking. Leagues will be coming to a close soon and I would like to thank everyone that put their time and effort into keeping everything running smooth throughout the season; without them we wouldn't have leagues to enjoy.

We are selling the pizza oven from the kitchen, if interested contact me.

Also, I'd like to congratulate our Shavings Editor; he was just selected for promotion to Senior Master Sergeant (E-8) in the Air Force!

Stay safe and shoot straight! - Rick

- We are looking for a new board member to finish out this term... We would like to thank Tim Dougherty for his great work and wish him best of luck in his new job! As a board member you will be part of a 3-member team helping make club decisions— need to be available for Board Meetings at 7pm, first Wednesday of each month.

- If you haven't renewed your dues, please contact a club officer at your earliest convenience. There is a new form for all to fill out so we can update club members' info (phone/email/etc); we will also issue a new key.

## REQUEST...

If anyone has old blue jean material or cotton clothes that they are tossing out, we could use them for stuffing in the bags that we place behind targets down on the flats.

Also, as a reminder, **please lock the main gate** when you enter and depart the grounds. This will help deter non-members from inadvertently entering our club and **possibly causing damage or attempting to hunt and/or discharge firearms.**
