

President's Corner

March 2018

Greetings Archers!

Spring is coming and with that comes soft ground. Try not to drive on the grass areas during this period. Someone has been driving their truck off the road. Please stay on the road.

It has been brought to my attention that some people, mainly kids, are standing too close to people pulling arrows out of the targets. We all know what can happen in that situation. Jerry Carter will be placing tape on the floor letting those not pulling out arrows how far to stand back. This is a safety issue to remember whether inside or outside.

I would like to thank all those who helped during the state 450 and 300 shoots. We received good reviews and things went well.

We will have a chili cookoff at the open house on April 7th. It will be from 1 to 5pm.

I would like to thank Terry Edler for giving the club at 3D target.

We will be setting up the cabin fever shoot on Thursday, March 15th. The shoot will be on the 18th. Get with me if you want to help.

I don't know who put the target up on the flats but those targets are not for general purpose. We will be setting up the new targets on the flats that got built last fall as soon as the weather permits.

Stay safe and shoot straight! - Rick

Please remember after you are done using the clubhouse to make sure the heat is turned down to 55 degrees and all the lights are shut off.
