

President's Corner

May, 2017

Greetings Archers!

Hello folks! Well outdoor shooting is upon us, remember to be safe and don't walk backwards on the courses. Be aware that you not be the only one out there.

If you happen to find a piece of equipment or power tool that is unsafe put a tag on it and let us know about it. Also, please don't operate a piece of machinery that you do now know how to use.

I hope everyone found all the mushrooms you were looking for and for those out hunting turkeys, hope you did well!

Remember work weekend is 13& 14 May. We didn't realize this was Mother's Day weekend, but hope some people are able to come out and help, we will be starting at 9am. We will be getting the club ready for the Silver Broadhead Shoot. Also I will be making tags to tag out machinery or cords that are defective or dangerous; they will be in the clubhouse.

Stay safe and shoot straight! - Rick

We will be setting the 3-D side of the Silver Broadhead Shoot on Wednesday, 17 May starting at 2pm. We can use all the help we can get!

We are looking for someone that would be interested in leading a long-term project for fixing our fence line around the club. Let us know if this is something you are interested in.

We will be making temporary signs to put in certain areas around our property. If you have any old crap plywood laying around that is at least 1x1 foot or larger we could use it for this project.

FLOOR ADS

Advertise your business in a long lasting floor ad in our club's indoor shooting range. Thousands of archers will see your ad every year. Each ad sells for \$1,500 and is good for the lifetime of the floor. Contact a board member or club officer today!
