

## President's Corner

November 8, 2012

So how is hunting going? I have seen a few but nothing to write home about. A couple got wind of me so no luck so far but it has been a great year to be out. Anyone who gets deer please send pictures to be put in the shavings or on the bulletin board. Don Kaplan is taking the Shavings editor job for now so send the pictures to him or me. On that note if anyone has a graphic arts background or publishing hobby or is just interested in putting the Shavings together each month we would be happy to have them help. New ideas and blood are always welcome.

We will try again for the state grant in February. The last round went all to new facilities and was not focused on facility improvements. We will be talking to the DNR people between now and then to try to get them to adjust the scoring so hopefully we can get our handicapped parking funded.

We will have a 300 round target shoot in a couple of weeks on November 18<sup>th</sup>. It is a good opportunity to get together and get some shooting practice in during a slack time. Spread the word to your friends and let's see if we can have a good turnout. Anamosa Bowhunters will be starting their target league next Tuesday. It is a non structured league where there are no teams and anyone who shows up can shoot. It is a good group of people and another good opportunity to keep your shooting sharp during hunting season.

Our Chili Cookoff and Open House is December 8<sup>th</sup>. I promise that my chili will burn a hole in the pot. If you have an extra good recipe bring it along for a chance to get your name engraved in a place of honor on the old helmet. There will be an Indoor 3D that day also so you can bring your family for a whole day of shooting and fun. We will try to come up with some games and fun things for the evening.

Leagues will start the sixth of January and run for ten weeks. The board and officers will be calling everyone in the next few weeks to invite them to join the leagues and come to the Chili Cookoff.

So I will sign off for now. Hope to see you out at the club and we will try to make it a good year for everyone.

Carl

### FLOOR ADS

Advertise your business in a long lasting floor ad in our club's indoor range.

Thousands of archers will see your ad.

Each ad sells for \$1500 and is good for the lifetime of the floor. Contact one of the board members or officers!

### Congratulations Tymbrie Snobl!

For those of you who don't know the Snobls, Tymbrie is 16 years old and the daughter of members Gary and Barb Snobl of Central City, Iowa. Tymbrie has been in the Alburnett NASP (National Archery in the Schools Program) since 6th grade. Her team practices in our club's indoor range and is mentored by Vance Patrilla. Tymbrie had an outstanding year competing in **NASP** State, National, and World Competitions. She placed 1st in the State Female High School Division held in Des Moines and held her spot as the All State Captain and 1st in the All State League. In May Tymbrie competed at the Nationals Tournament held in Kentucky, where she placed 2nd then won a scholarship shoot off to receive \$10,000. She also became part of the first ever National Guard All American Archery Team. In October Tymbrie and her mom traveled to Orlando, Florida for the NASP World Competition. There Tymbrie ranked 4th in the world's female high school division! Way to go Tymbrie!

You can watch Tymbrie in action in this KCRG Athlete Of The Week video:

### Indoor 300 Target Round

Sunday, November 18 @ 1:00pm.

The 300 Indoor Round is shot on blue & white target faces that have a little "X" ring in the middle. Five arrows are shot during each of 12 ends for score plus 2 practice ends. If you've been sitting long hours in a tree stand and haven't shot your bow much lately, this is a great opportunity to test your equipment and hone your technique. Please come join us. The cost for club members is only \$5, non-members \$7.

Note: For this target shoot we are willing to switch to the 450 Vegas target if the majority of our shooters request it.

### Joke Of The Month

A game warden in Arkansas working undercover was trying to get in with one of the biggest violators in the state. One day at the tavern he managed to get the guy to invite him along on a fishing trip. They got up before dawn and went out to the lake. About half an hour past sunrise the old fellow took out a stick of dynamite, lit the fuse and tossed it in the lake. Fish came floating up everywhere. The warden pulled out his badge and said "Now I've got you dead to rights" The old poacher took another stick of dynamite, stuck it in the warden's hands and lit it, saying "You gonna talk or you gonna fish?"
