

President's Corner

October 2018

Hello folks,

Deer season is here again. If you shoot something and would like the club to know about it, let Matt know and he can put it in the Shavings.

We have had some issues with the well pump. It tripped off one time and someone has turned it off. Please do not turn it off unless there is an issue. If it trips let me know ASAP.

Indoor leagues will start on January 6th. Prices will be the same as last year. There will be a sign up on the website as well as in the club house.

The next club meeting will be the 3rd vote on the dues increase. If you want to vote on the increase please come out to vote.

I am looking for someone to job shadow Craig Waite on the target ranges for next year.

JR, the preacher, has rented the club house and range for a family gathering on Thanksgiving Day. There will be room on the range if club members want to shoot that day.

Remember to turn the heat down to 55 degrees and turn off the lights and fans when you leave the club house.

We are thinking about trying out something new this year on the indoor range...you can pay \$200 and open shoot all you want during the year with no additional costs or pay the normal fee each time you shoot. This would be for a club member and not whole family. This would be totally voluntary. We will talk more about this later.

There are two new board members. They are Dennis Ringgenberg and Jeremiah Zeien. I would like to thank them for stepping up. We only got 33 ballots back on the vote. It would be nice to get more votes back and members involved next time.

I would like to thank Craig Waite for the time he has spent on the board this year and all the other times and everything else he has done for the club over the years.

If you see Randy Beelner please wish him a happy 70th birthday!

Please do not park on the grass with all the rain we have had recently. It really tears the grass up. Park on the gravel only. Thanks!

Stay safe and good hunting! - Rick
