

President's Corner

September, 2016

Hello fellow Archers,

How are you doing, folks? Fine I hope! Well, we are heading into another Fall, leave turning, fall fishing and of course hunting! There are some changes taking place at the club, widening of the main road, handicap parking (for handicap only—also be aware of the utility pole at the bottom), fixing the road to the pines, new bridge on the orange range. One of our very generous members is helping out a great deal on this, along with some other folks pitching in. These are the biggest upgrades to our club since the new building and septic tank. We also recently hosted the JOAD Championship, it went well! Everyone should thank them, they have been cleaning up around the club, and I must say it's the best I've seen it look in many years! Hope to see everyone out for the Deer Slayer, Candlelight shoot and pot luck 17-18 Sept!

It looks like the JOAD shoot went well in all areas; I would like to thank everyone that helped in the kitchen!

Congrats to Carl Mally getting a Robin Hood on his own arrow, not Randy's this time.

Also, if you are interested in running for a club officer position, let me know...election time will be here before we know it!

Stay safe and shoot straight!

- Rick

Archery thoughts...

- For those that are not familiar with tuning your bow, there is paper on a stand on the indoor range. Set it to your needed height and shoot one arrow through (without hitting the metal frame of course) from about 6 feet away. I will post some tuning info graphics at the indoor range to help folks that are new to this technique straighten out their shots. As always, you can ask any fellow archer for tips and tricks...and of course make sure your arrows are straight and equipment is sound before tuning.

- The club is looking to add more gravel to our new road that is being constructed. We are being told that it will need a few more inches to make it work properly and for the long run. We have used up the funds that we set aside for this project, so any donations would be greatly appreciated!

- If you or your pets make a mess in bathroom or building, please clean it up!

- **Keep an eye out for the area around the septic lines we will cordon off the area soon, so please do not drive around it, it could cause the lines to collapes.**

Sunday, 18 Aug 7am – 1pm	Deer Slayer

October 2016 Events Calendar

Saturday, 15 Oct, 7pm	Indoor Vegas 450 Round
-----------------------	------------------------

REQUEST...

If anyone has old blue jean material or cotton clothes that they are tossing out, we could use them for stuffing in the bags that we place behind targets down on the flats.

Also, as a reminder, **please lock the main gate** when you enter and depart the grounds. This will help deter non-members from inadvertently entering our club and **possibly causing damage or attempting to hunt and/or discharge firearms.**
