

President's Corner

September 2018

Hello folks,

I have been out of town so the newsletter is a little late this month.

Fall is around the corner so remember to be aware that hunters will be in the woods at the club. Some you may not recognize as they just hunt at the club. Give them a wide berth and hunters remember that the club is an active archery range.

I will be working on the 2D animals and would welcome help if you can. If you can help, get ahold of me. We need to get the cardboard picked up at Sam's Club. Talk with Diane Malley if you can assist with this.

The JOAD shoot went well. Thanks to all who helped!

It is not too early to start thinking about winter leagues. Gayla will get signup sheets posted.

Carl Clore will not be on the board this year. I would like to thank him for all he has done for the club. Please take time and thank the club officers and the board for all the work they put in keeping the club operating. We are still looking for someone to run for club president. Please speak to myself or another board member if interested.

There will be a big buck contest this year. Ask about it if you have any questions.

The club clout shoot will be on Saturday, September 15th at 1 pm. There will be a game feed/potluck that evening at 6pm. The candlelight shoot will start at dark. Remember your flashlight.

We have had a 1st vote on a dues raise. The upcoming meeting will be the 2nd vote. Please come to the meeting if you want input

If you intend to hunt on the club grounds during the 2018/2019 hunting season it is mandatory that you attend one of the meetings listed below.

We will discuss the responsibilities and restrictions involved with the privilege of being allowed to hunt on the club grounds. Those wishing to hunt must sign a liability waiver as well as acknowledge the rules involved with the privilege. Meetings will be held on the following dates:

1. Saturday, September 15th at 2 pm. This the Deer Slayer 3D weekend.
2. Wednesday, September 19th after the 7 pm members meeting.

Stay safe and good hunting! - Rick
