

President's Corner September 2021

Hi Folks

We are wrapping up another eventful summer. We are making gradual progress cleaning up our grounds. We had a second round of burning our wood pile last Thursday. It was still smoking Tuesday, even after being repeatedly soaked and rained on. I am hoping we can get the remaining brushpile near the playground cleaned up yet this year and burned. Please feel free to move brush from there down to the burn pile across from the animal shed.

Eric Bisinger made a good start on getting cleared around the animal and machine sheds to prepare for roofers coming in early November.

This fall we will need to rebuild indoor bales. We are working on finding a source for sewing the bags as our previous supplier went out of business. Once we get this arranged, we will need help to repack them. Hopefully those of you who have expressed concerns and complaints will be able and willing to help do something constructive to fix the problem.

If you know of sources for or can obtain large sheets of cardboard we will need it this winter.

We were able to put 40 target shoots for the Rendezvous and Art Foster Traditional Shoots. This was a great milestone as we opened part of the orange course along with portions of the white and blue courses.

The State JOAD and ISAA Target shoots were successful. Turnout was a little off for the ISAA Target with the ongoing effects of Covid perhaps keeping people home. The JOAD Shoot had great turnout and participation.

We will have our Deerslayer shoot in another week. We will have opportunities for fun for members through the weekend as we have our Clout shoot on Saturday afternoon. Shot at 180 yards on the flats you can put the arch back in archery as we rain arrows down on a target on the ground in the tradition of Ye Olde English Longbowmen. We will have our potluck and game feed Saturday evening around 5:30 and if there is enough interest we may hold a Candlelight Shoot after dark.

Board and officer nominations will be taken through this month's member meeting. If you are interested in running please let us know

On a sad note we lost long time member Randy Beelner very unexpectedly. Randy always stepped up when needed, taking on the president and treasurer positions when the rest of us were too busy, helping set shoots, build bridges and move targets. He started a lot of young people, including Jared and Nathan Lampe, out in archery when he ran our youth program at the Roundhouse for several years. He will be sorely missed.

Thank you for a great year and good shooting.

Carl

Randy Beelner

As many of you know Randall (Randy) Joseph Beelner, 72, of Cedar Rapids, Iowa, passed away unexpectedly at his home on Wednesday, September 1, 2021, the day that would have been his 49th Wedding Anniversary . Randy was born on October 3, 1948, in Paullina, Iowa, one of three sons to Joseph and Vivian (Rolfes) Beelner. He was united in marriage to Delhia "De" Tapia on September 1, 1972, in San Diego California. Randall was formerly employed with the former P.M. Lattner Manufacturing Co. as a welder and mechanic for many years, until his retirement. He was a member of St Pius X Catholic Church, the Waltonian Archery Club, and a Fourth Degree member of the Knights Of Columbus - Assembly #3188. Randy volunteered countless hours at Mercy Medical Center.

At the Waltonian Archery Club Randy spent many days. He shot both Traditional and Compound archery. He held many positions at the club including President, Vice President, Treasurer and Board Member. Randy also spent many years in the 80s and 90s working with the kids and youth showing them how to shoot . He participated in many of the boy scout camps showing younger archers how to shoot. For many years Randy also ran our Thursday night winter leagues. Over the years Randy has done a lot for the club and he will be greatly missed by all who knew and loved him.

Services

Services for Randy Beelner will be Tuesday September 14th at 10:30 AM. They will be held at St. Plus X Catholic Church, 4949 Council St. NE.

Family will greet friends one hour before services.
