The Waltonian Archers of Linn County is a Family oriented archery club that was established in 1935.

We provide the community of archers, and their families, with facilities for organized archery games.

We support and promote hunter education and hunting with bow and arrow under "Fair Chase" conditions.

In 2009 we are proud to have teamed up with the

"Aiming for a Cure Foundation"

The mission of the Foundation is to raise funds that will benefit pediatric oncology patients and families served

by the

University of Iowa Children's Hospital.

We are situated on 80 Acres of forest with 6 outdoor archery ranges.

In 2007 we completed our new "Smith Indoor Archery Facility"

A 50' x 110' indoor archery range and have recently added a 2nd addition with restrooms.
