

President's Corner

April, 2016

Hello fellow Archers,

Outdoor shooting will be upon us soon, I would like to remind everyone about safety on the outdoor ranges... once you enter a given range, walk it through to completion. In other words, don't walk backwards through the ranges; you never know who may be coming up behind you shooting. Fires are only allowed in contained areas on the flats or by the pavilion... not in the woods. Also, as a reminder, tent camping is free, but if you are plugging in, it is \$5 per night. Please do not drive on the flats, and please clean up after yourself.

We had a small turn out at the Cabin Fever Shoot, but everyone who came out and helped did a great job, thanks! Additionally, I'd like to welcome all of the new members and remind them that we are all here to help, so if they have questions please give them a hand.

One item that I would like to address is the burn pile at the club; this is for club uses only... please do not dump personal items from home on it.

We will be having a pot luck at the Open House on 9 April from 1-5pm. If you know of anyone interested in joining, please bring them out.

Also, we could use some help setting up for the Spring Strut Outdoor 3-D Shoot on 16 & 17 April—set up will begin 13 April around 4pm.

We recently installed a motion sensor on the dining room lights, do not turn it off or adjust the settings. If it is not working right, let me know and we will get it adjusted properly.

Remember, tree stands should be taken down by now, if you still have yours up, please remove it ASAP.

The Boy Scouts will be on the grounds 22-24 April.

We will be voting on increasing the camping fees (electric) from \$5 to \$8, at the April club meeting, come out and let your voice be heard.

Work weekend will be 14-15 May, at 9am both days—lunch will be provided. We would love to see a big turnout...lots of work to do!

Finally, we would like to thank Joe Sherbin for fixing our machines!

Stay safe and shoot straight!

- Rick

8th	Team 5	Paul June - Don Kaplan	12	28
8th	Team 7	Carl Mally - Erin Gauger	12	28

Energy conservation is everyone's responsibility! Each year our utilities account for a significant portion of our budget. The more we can cut down on those expenses, the more we can put back into our club! We ask that you **turn off all lights** and reset the **thermostat to 55 degrees** when you leave.

Also, as a reminder, **please lock the main gate** when you enter and depart the grounds. This will help deter non-members from inadvertently entering our club and **possibly causing damage or attempting to hunt and/or discharge firearms.**
