

President's Corner

December 4, 2012

Hi Folks

Christmas is coming up so on December 8th we will be having our annual Chili Cookoff. Bring your best chili and compete to get your name on the helmet. We will have an Open House at that time so if any of your friends might be interested in learning more about the club invite them out. There will be a 3-D shoot that morning so you can have a full day of fun and shooting. Also you can renew your club membership and sign up for leagues at the Chili Cookoff.

Of course the sixth of January we will be starting leagues again. So get yourself ready for another good year. We will be having a 2-D bowhunter league Tuesday, Target league on Thursday, Traditional league and another bowhunter league on Sunday.

Anyway I hope to see you all at the Chili Cookoff and hope you are ready for some great shooting this next year.

Welcome Carl Mally!

For the benefit of those of you who haven't been in the club long I want to introduce you to our new club president. Carl and Diane have been married for 37 years and members for 31 years. They have 3 adult children and 3 grandchildren. Carl works at Centro Inc as a Product Development Engineer. The Mally family, Carl, Diane, and son Tom, enjoy shooting at the club with friends for fun every week, usually on Monday evenings. They have always been active club members. Carl and Tom help set up many of our archery shoots and serve where ever help is needed. Diane has often helped in our kitchen during club events. Carl is the creator of a large hand made 3D Rhino target used in our club's Rendevous Shoot held in July. Carl also made his own longbow which he uses in traditional shoots. Carl has bowhunted since he was 27 years old (let me tell you that's a lot of years!), and he shoots all the club events, both 3D and target, plus a lot of archery events at other clubs around the state. Carl shoots fingers style and is very effective at it. Carl also plays bluegrass guitar very well, and though he is humble about it, you ought to hear him play! -- Don Kaplan

Joke Of The Month

An old fellow would fall asleep in church every Sunday morning. The minister got tired of it and decided I'm going to get the old coot. So the next Sunday he preached his sermon in even more of a monotone than normal. About halfway through the old fellow started to nod off and the minister chuckled to himself. Waiting till the guy was asleep he dramatically whispered "All of you going to hell" then suddenly, thundering loudly "Please stand up". The old man woke from his sound sleep and rises to his feet. Looking around the room he looks up at the minister and says "Well whatever it is we are voting on Reverend it looks like you and I are the only ones in favor of it" -- Carl
