

### President's Corner

July, 2017

Greetings Archers!

How are you folks doing? Fine, I hope! We have several shoots and projects going on this summer. We are moving logs around the club, please don't play on them. We are working on new targets for the flats, they are about done. Summer leagues are in full swing and seem to be going well. We are looking for cardboard for the range... Jeramiah has picked some up, but we would like to have another source in case this one dries up.

Remember our big event of the year, The Rendezvous, is coming up, we could use some help for set up and tear down. We will start setting it up on the 18<sup>th</sup> around 2pm, come out when you can, we could use all the help we can get. Also, we will be putting out some of our homemade 3Ds this year.

Also, the front door to the club house doesn't always close fully; double check that it closes completely and remember to lock it when you leave.

Stay safe and shoot straight! - Rick

We have a tree stand in the store room. It was not taken down, so it has been removed and placed in the store room, please pick it up if it is yours.

I am looking for a new Secretary for the remainder of the years. Gayla has had to step down for personal reasons. Be sure to thank you for all of the amazing work she has done for the club!

Brian will be stepping down as the Shavings Editor; we'd like to thank him for his great work! Matt Parman will take over as editor in August.
