JUNE 2009

Presidents Note

Hey Waltonians,

Our Charity 3-D Shoot is Saturday June 20th. The mission of the Aiming For A Cure Foundation, a 501 (c) (3) non-profit organization, is to raise funds to benefit pediatric oncology patients and families served at the University of Iowa Children's Hospital. Their goal is to improve the quality of care and quality of lives of these children through the funding of research and patient care. This is going to be a great shoot and there will be a lot to do. Be sure to check out their website at www.aimingforacure.com

We will need some folks to help with the various novelty shoots that we are going to have. The Iron Bear, "Wally" will make his debut. We need 4 people in 2 hour increments to run this novelty shoot on the flats. We'll have a canopy and a cooler with goodies. I need names and times you can help with this.

We will also have the arrow pull. Pull an arrow out of the box. The color of the arrow tip will decide how many raffle tickets you will get towards a prize. We'll have the poker shoot goin again. This time shoot 5 cards, but then you can discard and shoot more cards if you want, ya gotta pay to draw. There will be other games and novelties, so bring your dollars, it's for a great cause and there are prizes to be won!

We had a very productive meeting about the building addition. The June membership meeting is very important and we'd like to see as many members show up as possible. We have a lot of decisions to make as to whether we move forward or not.

Special Thanks to Al Fuller and Joe Schumacher for all the work that they put into not only the building details but the presentation. I now think that we can make this happen this year and we need everyone's input to make it another great Waltonian Archers success

Have Fun,

Al

ISAA State Outdoor

The State Outdoor shoot was held last Sunday. 69 shooters showed up to do their best to become State Champion. Not as good a turn out as last year but the weather wasn't looking to good.

Thanks to everyone who helped setup and to those who showed up to help with the kitchen. I really appreciate it!!

Thanks to Randy Beelner for cookin an awesome meatloaf. Everyone really enjoyed lunch.

Project Weekend 13th & 20th

Projects? We have projects.

We need some people to weed out the front gate fence line and clean up around the Enders Field Sign. I'd really like a group or family or individual to take over the front gate area for the whole year. It would be yours! Heck we could even put a sign up that says it's taken care of by you. That would be cool! We need to clean up the clubhouse and range and the entrance area to the clubhouse. There's a lot of weeds popping up along the indoor range that needs to be taken care of. Finally we need to get the front Bowhunter opened back up. I think we need a bridge and the trails mowed. We'll need it opened for the Rendezvous 3-D shoot in July. Finally, if we get enough help we need to clean out the machine shed and clean up around them. Finally we need someone to cook up some grub to feed everyone or we could go get some pizzas or something. Whatever everyone wants! Hope to see ya there!
