

President's Corner

March 2019

I would like to thank the folks from JOAD for helping with the line duties during our indoor shoots.

Jeremiah has hats, shirts, etc. for sale. We also put together the St. Patrick's day parade float. We also has had 2 club banners made. They look good. Thanks to everyone who helped with the float and came out to walk in the parade. We hope do participate in a few more this year.

We are still waiting on the county, for our tax situation, we will let you know what we find out.

Spring is just about upon us. Please remember safety rules: when walking on the range please do not walk backwards on the course. There will be people out there shooting.

FLOOR ADS

Advertise your business in a long lasting floor ad in our club's indoor shooting range. Thousands of archers will see your ad every year. Each ad sells for \$1,500 and is good for the lifetime of the floor. Contact a board member or club officer today!

HISTORY CORNER

1936. The meetings were still held twice a month in the homes of the club members

1937. Playground activities were started and all of the shooting was done at Ellis Park. It was decided to have a tournament this year. Shooting fees were to be \$.50 and trophies were to be given to the winners. There was to be a junior division as well (if four or members showed up to shoot). There were other clubs being formed as well in the surrounding area and Fred Enders as well as other members did a lot of traveling to help them get started. The Iowa State Archery association was also started in Cedar Rapids and Fred Enders was the secretary. People had to join this organization on a club basis rather than an individual basis. The Waltonian archers were the first club to join the NFAA (National Field Archery Association) it can truly be said that Cedar Rapids was the birthplace for archery in the state of Iowa. A small compensation was given to the club members for their efforts. Some examples were State dues were paid for the best monogram design \$1.00 for target legs and the secretary was paid \$2.00

Waltonian Archers Of Linn County would like to congratulate

Dennis E. Ringgenberg rare accomplishment in hunting the Ocelated Turkey. He decided to skip out on the cold Iowa week and go south to Mexico. To pursue this beautiful bird. It was killed about 7:10 on last Tuesday morning. It was not a bow kill. The bird was 10 1/2 lbs and had 1 7/8" spurs. Ocellated turkeys don't have beards. Even know it wasn't a bow kill the Waltonian Archers Of Linn County would like to congratulate him since this gorgeous bird is a rare opportunity. Glad to have you back safely.

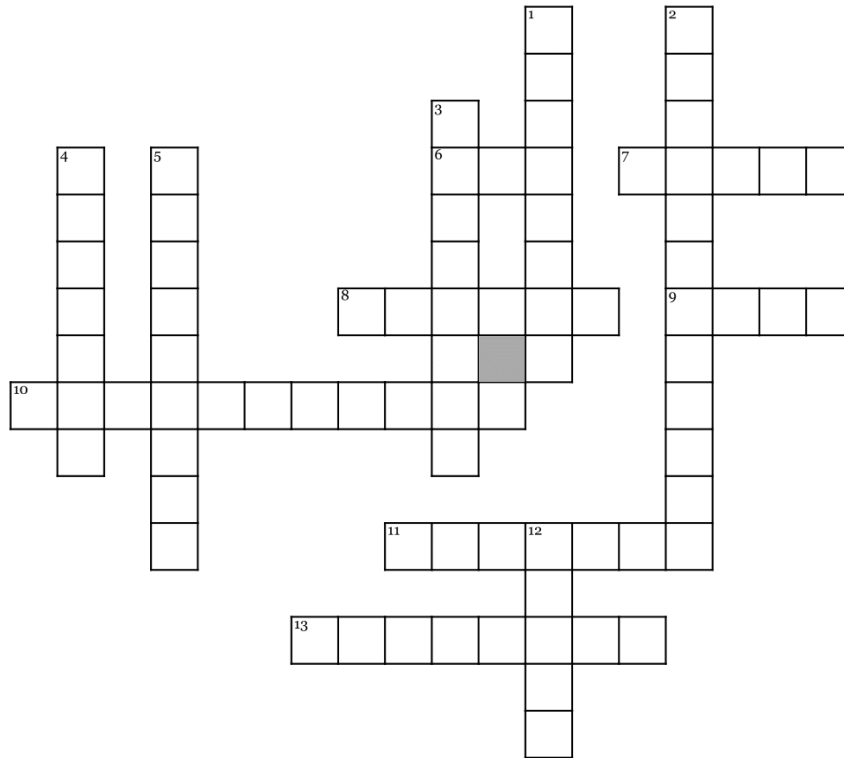

February Question Of The Month

Answer

Archery first appeared in the **Olympic Games** in 1900 and was con-
tested again in 1904, 1908, and 1920. Women competed in the
1904 **Olympics**, making **archery** one of the **first sports to include**
events for both genders. The **sport** then had a 52-year hiatus from
the **Olympics**.

Welcome To The Waltonian Archers Of Linn
County New Members From February.

Joke Of The Month

A Fine Shot

A duke was hunting in the forest with his men-at-arms and servants; he came across a tree. Upon it, archery targets were painted and smack in the middle of each was an arrow. 'Who is this incredibly fine archer?' cried the duke. 'I must find him!' After continuing through the forest for a few miles he came across a small boy carrying a bow and arrow. Eventually the boy admitted that it was he who shot the arrows plumb in the center of all the targets. 'You didn't just walk up to the targets and hammer the arrows into the middle, did you?' asked the duke worriedly. 'No my lord. I shot them from a hundred paces. I swear it by all that I hold holy.' 'That is truly astonishing,' said the duke. 'I hereby admit you into my service.' The boy thanked him profusely. 'But I must ask one favor in return,' the duke continued. 'You must tell me how you came to be such an outstanding shot.' 'Well,' said the boy, 'first I fire the arrow at the tree, and then I paint the target around it.'
