

President's Corner

October 13, 2012

Well this is my last note folks. I have been your President several times over the years, and they all had issues, but this year was difficult on several levels. Fortunately I had a lot of help from my board and officers. I would like to thank all of them, and all of you who worked hard to keep the club going. The Deerslayer, clout, and candle light shoot went well. We could have had more shooters, but it was still a good shoot. Again thanks to all for helping this past year. Shoot safely and be well!

There has been a trail camera stolen at the club! I would hope this was not a club member who did this. Keep track of your trail cameras.

We are looking into selling floor ads on the range again. If you have a flair for selling and would like to help raise money for the club, let us know. Contact one of the board members or officers!
