

President's Corner

October 7, 2015

Hi Folks

I have mixed feelings writing my last president's corner. We have accomplished a lot in the club the last three years. We have paid off the building loan and gotten final occupancy certified on it. We have started replacing our shot up 3D animals though we have quite a ways to go. Our youth programs are healthy and creating a lot of interest in archery. Our membership numbers have been slowly increasing. The number of shooters at our shoot has varied, some have been lower than we would like to see though most have been decent. We would always like to see the clubgrounds get more use through the year.

Next year the new officers will have to work on bringing our animals back to a good condition and fixing our roads bringing in more gravel. Hopefully we can figure out a way to fix the road up the hill in the pines though it will take a lot of work.

I wish to thank all of the club members for their participation and help these last three years. With all of you we can keep it a good club and have it there for the use and enjoyment by our children and their families for many years to come.

So anyway, good shooting and I hope to see you out there.

Carl Mally
