

President's Corner

September 8, 2012

Summer is coming to an end. Hunting season is around the corner. Be safe and shoot straight. I would like to remind people that when a 3-D shoot has been set, that these animals are not for general target practice before the shoot. Remember that hunting on the grounds is for Club members and they're immediate family members, archery equipment only.

I would like to thank all of the Folks who gave money to the club in the name of Milt Smith. It is a testament to the type of People we call Archers and the type of Man Milton Smith was. We will miss him! Rick
