

### President's Corner

September 12, 2014

Hi Folks

It is getting to that time of year where the days are shorter and cooler. Deer season is hurrying up on to us. To help get ready we will be having the Deerslayer shoot September 20 and 21. It will be a 40 target 3D. We will also have our game feed, potluck and Old Timers night that Saturday the 20<sup>th</sup> about 6 PM. After dinner when it gets dark we will have the Candlelight shoot. One arrow and a flashlight, once you lose that arrow you are done. Also during the day at 1 PM we have the Clout. That is one of my favorite shoots of the year where we all go out on the flats and launch arrow at a pole in the ground 180 yards away. Aiming points include tree branches over the dirt bunker and clouds in the sky. So be sure to come out for a fun weekend of shooting before deer season.

On another note, it is time to nominate new board and officers for the next year. If you have any interest please let us know and come to the meeting to put your name in nomination. The jobs require attending one board meeting and one club meeting a month. Some of the other positions have additional duties as president, secretary or treasurer. Several of us have been in for a while and it would be good to have a change of faces.

The state has received our final grant paperwork and will be sending us a check for about \$1700 as half of the cost of the new parking spot. Thank you to all the people who have helped get that done. The county inspector has made the final inspection and will issue the certificate of occupancy and close out our building permit.

September 6<sup>th</sup> Doug Berry and Dave Mason put on a Bowhunter Safety class through the DNR. About 19 people attended and it went well.

So anyway, good shooting and I hope to see you out there.

*Carl Mally*

### Joke of the Month

A busload of politicians were driving down a country road, when suddenly the bus ran off the road and crashed into an old farmer's barn.

The old farmer got off his tractor and went to investigate. Soon he dug a hole and buried the politicians. A few days later, the local sheriff came out, saw the crashed bus and asked the old farmer where all the politicians had gone.

The old farmer told him he had buried them.

The sheriff asked the old farmer, "Lordy, were they ALL dead?"

The old farmer said, "Well, some of them said they weren't, but you know how them crooked politicians lie."
